

## Let's Compute Technology Club May 2026 Class Schedule

Use the instructor email link to register for classes. You will be sent a link for a **"Zoom"** class, if offered, after you register.

**Doug Graham, Director of Education. NOTE: The monthly class schedule is subject to revision.**

Sat, 5/2 10:00AM- 12:00PM	Instructor: Richard Ravich <span style="float: right;">Email: <a href="mailto:richard@ravich.us">richard@ravich.us</a></span> <a href="#"><u>Ham Radio Technician Licensing Class</u></a> We will go over the questions and answers needed to pass a 35-question exam given by the Federal Communications Commission to become a licensed amateur radio operator.
Sun, 5/3 1:00-2:30PM	Instructor: Doug Graham <span style="float: right;">Email: <a href="mailto:dgrahamaiacds@gmail.com">dgrahamaiacds@gmail.com</a></span> <a href="#"><u>NEW: The Who I Am Project: For Lives In Transition (In Tech Center or "Zoom")</u></a> Learn how technology can help you discover and present your unique humanity. This workshop is geared to participants whose identity is informed by their past but are choosing not to be locked into it. And, Technology Club available resources can help you get there. Can be taken separately or with 5/10, 5/17, and 5/24.
Tues, 5/5 10:30AM – 12:30PM	<a href="#"><u>Tech Tutor: Apple Products: Macs, MacBooks, iPads, iPhones, Apple Watch</u></a> Walk-in. No registration necessary. Tutors will provide one-on-one, 10-15 minute sessions depending on availability and number of attendees.
Tues, 5/5 1:00 –2:30PM	Instructor: Steve Berman <span style="float: right;">Email: <a href="mailto:steveberman@mac.com">steveberman@mac.com</a></span> <a href="#"><u>Mac Basics: Part 1</u></a> Discover what's new in the latest Apple operating system and locate your favorite tools.
Tues, 5/5 3:00-4:30PM	Instructor: Shelia Harbet <span style="float: right;">Email: <a href="mailto:shelia@csun.edu">shelia@csun.edu</a></span> <a href="#"><u>NEW: Renew Your Passport online (in Tech Center)</u></a> This class offers the opportunity for one-on-one help to <b>RENEW your US Passport</b> . The government's online system is fairly easy, but we are here to provide support for Tech Club members to accomplish this in the Technology Center. <b>Once you register for this class you will receive information about which documents to bring to the class to complete the entire process online.</b> Many members may have a passport that needs renewing. The Safeguard American Voter Eligibility Act (also called the SAVE Act or SAVE America Act) <a href="https://www.vote.org/save-act/">https://www.vote.org/save-act/</a> is a federal bill that would fundamentally change how Americans register to vote. Every voter, including people who have been registered for decades, would need to appear in person at an election office with qualifying documents. For most people, that means a passport or certified birth certificate..
Tues, 5/5 1:00 –2:30PM	Instructor: Steve Berman <span style="float: right;">Email: <a href="mailto:steveberman@mac.com">steveberman@mac.com</a></span> <a href="#"><u>Mac Basics: Part 2</u></a> Discover new Apple operating system features, pro tips for organizing your desktop including using Stacks, keyboard shortcuts, Split View, sharing, and Siri.
Sat, 5/9 10:00AM- 12:00PM	Instructor: Richard Ravich <span style="float: right;">Email: <a href="mailto:richard@ravich.us">richard@ravich.us</a></span> <a href="#"><u>Ham Radio Technician Licensing Class</u></a> We will go over the questions and answers needed to pass a 35-question exam given by the Federal Communications Commission to become a licensed amateur radio operator.
Sun, 5/10 1:00-2:30PM	Instructor: Doug Graham <span style="float: right;">Email: <a href="mailto:dgrahamaiacds@gmail.com">dgrahamaiacds@gmail.com</a></span> <a href="#"><u>NEW: The Who I Am Project: For Lives In Transition (In Tech Center or "Zoom")</u></a> Learn how technology can help you discover and present your unique humanity. This workshop is geared to participants whose identity is informed by their past but are choosing not to be locked into it. And Technology Club available resources can help you get there. Can be taken separately or with 5/3, 5/17, and 5/24.
