

Let's Compute Technology Club June 2026 Class Schedule

Use the instructor email link to register for classes and assure a spot.
You will be sent a link for a "Zoom" class, if offered, after you register.

Doug Graham, Director of Education. *NOTE: The monthly class schedule is subject to revision.*

<p>Wed, 6/3</p> <p>1:00PM - 2:30PM</p>	<p>Instructor: Richard Ravich Email: richard@ravich.us</p> <p><u>AI: Q & A</u></p> <p>This will be a question and answer session about AI. Bring your questions and we'll investigate possible answers. All AI programs are welcome especially Chat GPT and Grok. If you have another favorite, we can look at it during the class.</p>
<p>Sat, 6/6</p> <p>10:00AM – 12:00PM</p>	<p>Instructor: Richard Ravich Email: richard@ravich.us</p> <p><u>Ham Radio Technician Licensing Class</u></p> <p>We will go over the questions and answers needed to pass a 35-question exam given by the Federal Communications Commission to become a licensed amateur radio operator.</p>
<p>Sun, 6/7</p> <p>1:00PM – 2:30 PM</p>	<p>Instructors: Doug Graham and Ann Shepperd Email: dgrahamaiaacds@gmail.com</p> <p><u>So, How Do I Turn This Darned Thing On?</u></p> <p>No question is too dumb. No subject is too basic in this orientation to computers, cell phones, smart watches, the internet, and AI (Artificial Intelligence). Geared toward beginners who are looking for a place to start.</p>
<p>Mon, 6/8</p> <p>3:00PM-5:30PM</p>	<p>Instructor: Tony Serra Email: tony_serra@prodigy.net</p> <p><u>Microsoft Excel</u></p> <p>Excel Spreadsheets Part One - for Beginners – Windows PC. This class starts at a basic level and will include demos & hands-on practice. We will design & use sheets for storing data and explore using formulas. Ideal if you have little/no spreadsheet experience or need a review.</p>
<p>Tues, 6/9</p> <p>1:00PM – 2:30PM</p>	<p>Instructor: Steve Berman Email: steveberman@mac.com</p> <p><u>Mac Basics + More: Part 1</u></p> <p>Discover what's new in the latest Apple operating system and locate your favorite tools.</p>
<p>Thurs, 6/11</p> <p>1:00PM – 2:30PM</p>	<p>Instructor: Steve Berman Email: steveberman@mac.com</p> <p><u>Mac Basics + More: Part 2</u></p> <p>Discover what's new in the latest Apple operating system and locate your favorite tools.</p>
<p>Sat, 6/13</p> <p>10:00AM – 12:00PM</p>	<p>Instructor: Richard Ravich Email: richard@ravich.us</p> <p><u>Ham Radio Technician Licensing Class</u></p> <p>We will go over the questions and answers needed to pass a 35-question exam given by the Federal Communications Commission to become a licensed amateur radio operator.</p>
<p>Tues, 06/16</p> <p>1:00PM – 2:30PM</p>	<p><u>Tech Tutor: Apple Products: Macs, MacBooks, iPads, iPhones, Apple Watch</u></p> <p>Walk-in. No registration necessary. Tutors will provide one-on-one, 10-15 minute sessions depending on availability and number of attendees.</p>

Let's Compute Technology Club June 2026 Class Schedule
